INTRODUCTION

We are a company from Vilafranca del Penedès (Barcelona, Spain) that distributes a wide range of envelopes and packaging products to B2C and B2B customers all over Europe.

We offer a fast personalized printing service thanks to our laser and digital printers.
We also manufacture bespoke products for wholesale product quantities.

Thanks to the business relationship established with the world's leading manufacturers of paper, cardboard and plastic envelopes, we can supply customers with a multitude of styles, sizes and colours.

Please do not hesitate to contact us if you need any of our products and/or services.
